Fall 2005

Promoting reuse and recycling in Nebraska

PROYECTO CULTURAL EXPANDS COMMUNITY AWARENESS

In April 2002, Proyecto Cultural began as an educational project to share Hispanic Culture with the Lincoln community.

The goal of the organization is to increase

cultural awareness by providing educational performances through the Mexican dance group, Grupo Folklorico Sangre Azteca, and encourage athletic competition by recruiting local youth for a soccer team, Los Aztecas.

Recently, the directors at Proyecto Cultural have been able to rent a building near the downtown area. The building will provide meeting and rehearsal space for the dance and

athletic groups. Unfortunately, the building still needs extensive renovations and lacks office furniture and supplies.

Through the Exchange, Proyecto Cultural has been able to get much-needed items like coat and clothing racks, student desks, and office chairs. The group is well on its way to expanding its mission and increasing community outreach. As the building is renovated and the mission of the organization expands, the Exchange hopes to continue helping this great group with future needs.

For more information about Proyecto Cultural, including how to book the Mexican Folkloric Dance Experience for your next social event or ethnic festival, contact Executive Director Dana Rodriguez at 402-770-6866 or Publicity and Soccer Director Juan Rodriguez at 402-202-4829.

If you receive or dispose of any items through a referral from the Materials Exchange Program, please call and let us know. It is essential in tracking the success of our program. **Thank you!**

The Materials Exchange Program has facilitated over 2000 matches of items for reuse or recycling.
